DECORATIVE
GLASS 1993

The
Fusion
of Glass
and Art

“ Staying ahead of the game is even more challenging than reaching it, because it's all about maintaining quality and providing the best. Which is why Decorative Glass has been one of my main success partners, with our requiring values: Quality, integrity, and commitment. ”

Harry Good

what others say about us!

“ We were pleased to cooperate with Decorative Glass company. Our success is always linked to each other in the various projects that we did together. They have long experience and deep knowledge of their products and work. We always choose them as the first choice, because they always meet ours and clients' expectations. ”
